

# Making Travel Possible for Everyone!

WorldStrides believes every student should have access to the many benefits of educational travel. To support our vision, we have several successful financial support programs available.

## FLAG Financial Assistance

Over \$10 million in financial assistance and scholarships has been given out through this incredible program!

Applying for FLAG financial assistance is easy and confidential. The application only takes a few minutes and can be completed by calling WorldStrides Customer Service at 800-468-5899. Families with annual adjusted gross incomes up to \$85,000 may qualify for financial assistance.

## The Gift of Education

Thousands of WorldStrides travelers have received millions of dollars through our most successful fundraising program. With e-cards, letters, and shareable Facebook links, students can receive donations from friends, family members, and local organizations.

100% of the money raised goes directly towards offsetting the student's trip price.
